

L1.14 “Noah Finds Grace”

Read Together: There was one man during this wicked age (the time before the flood) who continued to follow God’s laws. His name was Noah, and Noah was a just man. That means he tried to treat everyone fairly, as the Bible teaches us to do, and just like we want to be treated in turn. He followed the example of his great-grandfather Enoch, who had also walked with God. “Walking with God” means that Enoch and Noah loved God and obeyed Him. God says that He shows His servants when He is going to send destruction on people because of their sins (Amos 3:7). Noah was a faithful servant of God, and God told Noah that He planned to destroy the earth with a flood, but would save Noah and his family because of his obedience to God.

Discuss:

- Explain to your child that people lived very long lives before the Flood.
- Ask your child how Noah must have felt living in such a wicked society.
- What do you think about God being merciful to Noah and his family and saving them from the flood? Do you think they were happy about that?
- Help your child understand that to be righteous means to keep God’s commandments in faith (Psalm 119:172), and that we too can be righteous.
- Discuss with your child what it means to “walk with God.”

Review Memorization:
