NT Packet 1 – The Birth of Jesus

Story Preview

Featured Passage: **Luke 3-4**

Jesus grew up in grace and stature with both men and God. Jesus' step-father Joseph was a carpenter, so Jesus learned to be a carpenter too. He worked as a carpenter until He was about 30 years old. In the meantime, His cousin John was teaching people to repent of their sins and was baptizing many people in the Jordan River. John the Baptist was preparing the people for the Messiah to teach them. Jesus Christ, the Messiah, was about to start doing the job His Father sent Him to do.
