Lesson 7: Put God First

Sermon on the Mount

Featured Passage: **Matthew 6**

Story Preview

In the message He gave on the mountain (often known as “The Sermon on the Mount”), Jesus first encouraged His disciples in the attitudes they should have to be blessed and happy. He then began to address the importance of keeping the Commandments - emphasizing that Christians should keep the spiritual intent of the law and not just the letter of the law. Jesus Christ continued the message by talking about everyday circumstances that people have and the usual concerns that this life brings. Christ told them, and tells us today, that the answer to life’s problems is to put God first.
