NT – Miracles of Jesus

### Story Preview

Featured Passage: **Luke 8**

*Jesus picked twelve men from among His disciples to travel with Him and to be taught by Him firsthand. Others also followed Jesus throughout the region as He preached the gospel of the Kingdom of God, performed miracles, and healed the sick. Often, large crowds came to see Jesus and to hear Him preach. They wondered who He could be and what was the meaning of the things He said. His disciples believed that He was the Messiah, but did they really know what that meant? They would soon begin to see.*
