NT – The Acts

Featured Passage: Acts 1

Jesus had died, but now He was alive! For forty days after He was resurrected Jesus Christ had been seen by different people - He talked, walked, and ate with them. Jesus showed the people that death had no power over Him and gave them hope in resurrection from the dead for all human beings who choose to follow God. Soon it was time for Jesus to return to His Father in heaven. The disciples gathered together to receive final instructions from the Lord.
