

LIVING EDUCATION-Charlotte

PROGRAM INFORMATION | 2021/22

Program Particulars

The Living Education-Charlotte program is for students seeking to build a more thorough understanding of a Godly way of life, along with other like-minded young adults. Our goal is to create a culture of purity and inspire a courageous, faithful dedication to God, based on a solid understanding of His Word.

Core Curriculum

Our core curriculum is comprised of the following building blocks:

- Survey of the Bible
- Principles of Christian Living
- Introduction to Biblical Doctrine
- Biblical Communication
- A Christian Perspective on Music

In addition, a wide variety of topics are addressed in our weekly Forums and Assemblies by guest instructors.

Calendar

The 2021-22 academic year runs for approximately 9 months, from August 13, 2021 to May 11, 2022. See the academic calendar for details.

Expectations

Living Education-Charlotte students attend daily classes at the Living Church of God headquarters facility. The mornings are filled with classroom instruction and the afternoons are dedicated to our Work-Study program. In addition, the learning experience includes a full schedule of social activities, building bonds of friendship with fellow students.

Students should be prepared to exercise independent life skills. They'll be required to manage their personal finances and budgeting. Cleaning, laundry, shopping, and cooking are part of daily life for our students, and everyone is expected to work together to create a peaceful, harmonious environment. This training program is geared for young adults, aged 18-30, who can function in a mature way, with minimal supervision.

Housing

Student housing is provided just a few miles from the headquarters facility, with one residence for the men and another nearby residence for women. Our accommodations are located in a safe, quiet suburban neighborhood, and the homes provide a very comfortable living experience for our students. Grocery and other shopping is available nearby. A Resident Assistant is assigned to each accommodation, providing guidance and encouragement for our students. All students are required to live in this Church-provided student housing.

Work Study

Most students are able to participate in part-time student work-study employment. These jobs help students offset the cost of their room and board. These work-study positions require a commitment of 20 hours per week as well as a minimum cumulative GPA of 2.5. The hourly wage for most beginning work-study positions is the minimum wage rate for the state of North Carolina. Applicants for work-study positions should submit a résumé as soon as possible to Admissions, as positions fill up quickly.

Costs

Program Fee (\$300 per month)

While our program does not charge tuition for classes, this program fee helps to defray the cost of the church-provided housing, utilities, internet, activities, and a variety of other associated costs to provide the framework in which to learn. This fee is assessed at the beginning of each month, with the **required \$300 deposit (due July 1, 2021)** applying toward the first of nine payments for the program. For more details, see the Program Fee Schedule and Agreement.

Textbooks \$150-250 (estimated for both semesters)

For our courses, students must have a Bible in addition to their textbooks. The recommended version is the New King James edition of the Bible (NKJ). In addition, all students need to acquire the textbooks required for their courses. A student may use any vendor to purchase their textbooks, including Amazon, Christian Book, and Barnes and Noble online, or even from their local bookstore.

Additional Costs

All on-site students should have a personal computer. Both the accommodations and classroom areas have wireless access. In addition, groceries and any personal items are the responsibility of each student. No food service is provided by Living Education, but there is a full kitchen in each of the housing units. If necessary, transportation will be provided to and from the classroom facilities. If a student wishes to use his or her own vehicle, then gasoline, insurance, and maintenance costs would need to be considered carefully. Estimated reasonable expenses for on-site unmarried students living in cooperative housing at Charlotte are provided in the following budget **covering an academic year of two semesters (approximately nine months)** as follows:

Required Costs		Estimated Additional Costs	
Program Fee	\$ 2,700	Groceries & Personal Items	\$ 2,500
Books and Supplies	\$ 150	Entertainment & Miscellaneous	\$ 400
TOTAL REQUIRED:	\$2,850	TOTAL ESTIMATED ADDITIONAL:	\$2,900
Total for Academic Year	5,750*		

*Students employed in the work-study program can expect to net around \$4,500 if they complete 700 hours of student work. The typical student thus needs a minimum of \$1,250 more, to be met from personal savings, summer earnings, and/or family contributions.

Beyond Academics

Living Education-Charlotte is a rich learning environment designed to help students build strong biblical foundations, deep personal relationships with Jesus Christ and God the Father, stronger social skills, and a well-rounded perspective on life. Because of this, students are expected to participate in additional activities. Participation in these activities is required as they are considered to be part of the learning experience. Here is a sample of the types of activities which the students are involved in at Living Education:

- Men are required to participate in a regular Spokesman Club while Ladies participate in a regular Women's Club.
- All students participate in a weekly "Friday Evening Group Dinner" with students, ministerial, and congregational guests. This dinner is prepared and hosted by different students each week. Students are given a budget and basic guidelines from which to operate.
- All students are encouraged to participate in weekly or bi-weekly music lessons that can range from voice to instrumental training.
- Field Trips: All students participate in field trips to various destinations. These field trips are designed to increase fellowship and camaraderie. They also provide an opportunity to learn more about local points of interest, experience a variety of cultural events, and enjoy recreational opportunities. Past field trips have included: attendance at performing arts concerts, outreach work at a local food bank, travel to the historic Charleston, SC and a visit to Fort Sumter, visits to museums, pool parties, hikes in the NC mountains and more.
- Local congregational activities/service opportunities: Students often participate in other informal group activities and opportunities provided by the Charlotte, NC congregation.

Admissions

Admission is selective and based upon evidence of intellectual promise, strong personal qualifications, good moral and ethical character, and marked by a desire to be an effective servant leader. All applicants seeking admission for study at Charlotte should complete the steps below.

- Submit a completed **online application** and pay the required application fee. Acceptance decisions are scheduled to be made beginning **March 1st**. We will continue accepting applications until June 1st, or until our program is full.
- Complete and submit the **Enrollment Agreement** which acknowledges adherence to a standard Code of Conduct.
- If you have completed High School only:
 - Have an **official high school transcript** or a **copy of GED or TASC** scores mailed to the admissions office or emailed to admissions@lgeducation.org
 - Current high school seniors should have their high school submit a transcript showing work through the first semester of the senior year. This transcript should be submitted as soon as possible after the semester has ended. A supplementary transcript must then be submitted upon high school graduation. A high school transcript is not required if an applicant has 12 earned college semester credit hours from a regionally accredited college or university.
 - Provide a copy of the applicants **SAT or ACT scores** if they have been taken. *Students are highly recommended to take the SAT or ACT exam if they have no previous university coursework. Exam scores will enhance the chances of acceptance.*
- If you have already attended college:
 - Have official transcripts from any regionally accredited colleges and universities previously attended mailed to the Admissions Office.
- Submit an **Autobiographical Essay** of 3-5 pages in length, typed and double spaced.
- Provide a **recent photograph** of yourself for your student profile. Your photo must be:
 - In color
 - Taken in an unobstructed full-face view directly facing the camera with both eyes open (no hats accepted)
 - Taken within the last 6 months to reflect your current appearance
 - Taken in front of a non-distracting background
 - If you normally wear prescription glasses they should be worn for your photo (no sunglasses accepted)
 - Submitted as attachment to online application or a jpg file to rross@lcg.org
- Provide **three recommendations** from non-relatives: one from area pastor, one from a high school guidance counselor or academic adviser, and one general reference. All references should be completed online by chosen recommenders (links provided in online application). Homeschooled students may use a second General Recommendation Form in lieu of the Counselor Recommendation.
- If applying for the on-site work-study program, **provide a work resume** to facilitate placement.
- **Complete an online interview.** To make an appointment for this interview, email rross@lcg.org
