Lesson 19: Letters to the Seven Churches

\_\_\_\_\_

Featured Passage: Revelation 1-3

John was one of the last living apostles. He suffered persecution from the Roman authorities, until finally, they exiled him to the isle of Patmos. While on the island, Jesus Christ revealed to John many things about the future. Jesus Christ gave warnings for seven churches that were established. While these seven churches were given these warnings in the first century, it is thought that these seven churches also represent seven eras, or time periods, of the church of God. including warnings for each Church era. These warnings teach lessons which could apply to all Christians in any era.
